I hereby, on behalf of the organization:

UNIONCAMERE -

Italian Union of Chambers of Commerce, Industry, Handicraft and Agriculture,
located in ROME (ITALY), Piazza Sallustio, n. 21, 00187 Roma

(in the following, mentioned as the "ORGANIZATION"), being aware of what are the aims of the Knowledge Innovation Community on Raw Materials (KIC-RM), that will be possibly co-funded by the European Institute of Technology and Innovation in Budapest, declare that the ORGANIZATION has the following motivations to support the build-up of a CO-LOCATION CENTRE within the KIC-RM.

The ORGANIZATION will be related to CO-LOCATION CENTRE SOUTH (in the following, mentioned as the "CLC"):

The ORGANIZATION is a central public body.

The ORGANIZATION has the following interest in the topics related to the Raw Materials: administrative requirements and information on enterprises waste.

The ORGANIZATION expects to provide the following support to the CLC: dissemination and joint research projects.

The ORGANIZATION confirms its exclusive commitment to the Raw Matters consortium, in applying to the 2014 EIT call for establishing a KIC-RM (published on February 14, 2014).

The ORGANIZATION expects from the collaboration with the KIC-RM information and technical updates.

According the aforementioned data and foresight, UNIONCAMERE is willing to join a Stakeholder forum, or supporters network, created with the scope to:

- keep updated of the initiatives and the results of the CLC and the opportunities of collaboration with the KIC, in the broadest sense, that will be disseminated by the CLC (meeting at least once a year after the foundation of the KIC Legal Entity);
- provide support to the foundation and the growth of the CLC, being it e.g. in terms of money, or strategy, or networking, or internationalization;
- provide regularly recommendations to the CLC, aimed to improve the quality of the results and the impact of the CLC in the Raw Materials initiatives.

Rome, _____

UNIONCAMERE
Secretary General
