

**PUBLIC NOTICE**  
**SPONSORSHIP OF THE EUROPEAN BUSINESS REGISTRY ASSOCIATION (EBRA) ANNUAL CONFERENCE**  
**(Milan, 11-12 June 2025)**

**PREMISE**

Every year the *European Business Registry Association* (EBRA), of which Unioncamere is a member, organizes an annual conference for its members and professionals working in the field of business registers in Europe and beyond.

It is a unique event aimed at registry professionals with the aim of networking and sharing experiences aimed at registry innovation.

The work programme includes the involvement of experts from the public and private sectors, called upon to present relevant topics, such as the use of new technologies in registers, developments in the field of company law and beneficial ownership, the impact and use of data in society and the balance between privacy and transparency in the management of a register.

The annual conference is traditionally hosted by a member of *EBRA* and is expected to include, in quality of *sponsors*, private entities belonging to similar international organizations involved in the management of the Registries, banking institutions, professional associations and associations.

For the current year, the conference - entitled "*Building Trust: leading the digital evolution to overcome challenges. Business Registers as catalysts of the digital economy*" - will be held in Milan on 11 and 12 June and will be organized by Unioncamere.

The event will involve over 200 professionals, in person and online, including:

- Policymakers, public officials and leaders of international organisations involved in the development and implementation of national digital strategies.
- the Business Registry Community, engaged in the development and implementation of services and applications for Registry governance.
- Private sector companies that support the development of open, transparent and efficient governance practices for business registries.

More information on the event, of which a draft program is attached, can be found on the website: <https://ebramilan2025.it>

In continuity with previous editions of this initiative, Unioncamere considers it appropriate to make use of economic support from one or more private entities (*sponsors*), within the framework of sponsorship contracts to be stipulated in compliance with current legislation.

For the purposes of this Notice, a sponsorship agreement is defined as a contract whereby one party (the sponsored party), in the context of its own cultural, social, recreational, sports-related, or other initiatives, offers in return to another party — which undertakes to pay a specific amount of money or to provide a certain performance, either directly or indirectly, in the form of works, services, or supplies — the opportunity to advertise its name, logo, brand, products, services, or similar elements in designated and predetermined spaces, in accordance with the terms of the agreement.

Therefore, Unioncamere publishes this Notice in compliance with the principles of economy, effectiveness, timeliness, fairness, free competition, non-discrimination, transparency, proportionality and publicity.

This Notice, published on Unioncamere 's website, does not presuppose the formation of a merit ranking or the attribution of scores and is not binding for Unioncamere, which reserves the right, in any case and at any time, to suspend, interrupt, modify or terminate this fact-finding investigation, without this constituting a right or claim of any kind, compensation or reimbursement of any costs incurred for participation.

This Notice constitutes a mere fact-finding inquiry, the outcome of which Unioncamere is not obliged to notify.
